

Be Healthy Bucks

Give your patients a
**nudge towards
a healthier lifestyle.**

Be Healthy Bucks is a free health and wellbeing service that can make a real difference to your patient's quality of life.

Our tailored support focuses on creating long-lasting behaviour change by helping people make healthier lifestyle choices. We offer services for adults, children and young people across Buckinghamshire.

The services we offer:

- Adult weight management
- Child weight management
- Smoking cessation
- Support to reduce alcohol consumption
- Community-based NHS Health Checks

Buckinghamshire
Council
